COUNT YOUR CHANCES (3) has placed in her last four starts and is well overdue a winning turn. She finished a nose second over 1400m last start when sent out as the favourite and finished third in her only previous start on this course. Rates as the runner to beat. HOLOCENE (7) finished fourth over 1600m two starts back after losing two lengths leaving the start and then came out to finish fifth over 1600m. Looks well placed in this line-up to find some well needed form. I'M A MAN (1) has been disappointing in his last two starts following a second over 1600m. He has drawn well and can improve to run in the top-three. Has each-way claims. FELIDAVIAN (2) finished fourth last start at this track over 1800m when well supported. Should be coming home better than most and has place claims. Include in exotic bets.

RARATONGA ROSE (2) has been disappointing in her last two starts. She has won three times, finished second once and third once from as many starts over this distance. From a good draw and along with Keagan De Meloin the saddle she looks well placed to return to form. PATON'S TEARS (3) looks close to a winning run having placed second in all of her last three starts. She finished second in her only previous start over this distance and should prove hard to beat. BOLD FORTUNE (1) is far better than her recent form-line would suggest. She has won three times and finished third twice from 11 starts on this course. She is back racing against her own sex and is well placed to return to form. Include in exotic bets. KWAZZI'S LADY (6) finished second two runs back and then came out to score by a long neck as the favourite over 1800m. Can easily measure up again.

DR FAUSTUS (6) finished second last start over 1200m but should have finished closer to the winner as he hung over the closing stages. He is a progressive type and with Gavin Lerena retaining the ride can go one place better today. VIVA DE JANEIRO (1) came home late to finish third over 1200m last time. Keagan de Melo retains the ride and another bold run is expected. MAGIC PRINCE (3) is racing in good form having placed second twice in his last three starts. He lost a length leaving the start last time but stayed on well to finish second. If jumping on level terms with his rivals can go close to taking this race out. CARE TAKER (5) is an unraced son of Querari from the Mike and Adam Azzie stable with S'manga Khumalo in the saddle. If not too green he should start his career on a positive note. Well worth a second look.

CICADIDAE (7) produced a decent debut effort to finish third over 1000m last start when well supported. She was green in the running but the manner in which she stayed on at the finish was encouraging. She would have gained from the experience and will relish the extra distance on offer. With the natural improvement that is expected she should prove hard to beat. UNITED WE STAND (1) was slightly disappointing when finishing fifth over 1400m last start when sent out as the favourite and deserves another chance today. Philasande Mxoli steps back into the saddle and she is one of the leading chances. PRIMROSE PATH (2) tried hard in her last start but found one too good on the day. Calvin Habib retains the ride and if repeating that last start effort should be fighting out the finish. CELESTIAL CITY (1) won well last start over this distance and it must be noted that the horse that finished third that day has come out and won since. He has finished second twice from as many starts on this course. Racing well and should prove hard to beat again. BOB'S YOUR UNCLE (2) is in good form and finished a close-up third over 1800m last time. He finished a neck second behind the top selection two back. With the help of an inside draw rates as a strong winning chance. ROYAL GUIDE (10) bolted in to win his maiden race over this course and distance last start when sent out as the hot favourite. He does face stronger rivals today but judging by that last start victory can measure up well. RAIN OR SHINE (9) tried hard in his last start over 1450m but found one too good on the day. It must be noted that the horse that finished fourth that day has come out and won since. Looks well-placed in this line-up and is a genuine each-way chance.

WOKONDA (2) raced from a handy position over 1450m on the Inside course last time, moved up well but was outrun late to finish fourth. She has finished second once and third twice from four starts over this course and distance. She jumps from a good draw and should be figuring in the top-three. ELEMREE (12) moved up well over 1800m on this course last time but was caught late, finishing second. Looks well placed in this field to return to winning form. SIMPLE SIMPLE (9) ran a fair race over 1600m on the Inside course last time out to finish fourth. Is suited well in this line-up and should be returning to form. Include in exotic bets. CRIMSON PRINCESS (1) raced from a handy position last start but found one too good on the day. She has won twice, finished second once and third once from six starts on this course. Well worth an each-way ticket.

ISLAND BEAUTY (4) didn't settle in the early stages of her last start and could only mangle to finish sixth over 1800m on the Inside course when well supported. She finished second in her only attempt on this course. If she settles better today can give this field a shake. ANGEL'S WISH (3) should have finished closer to the winner last time out as she hung over the closing stages, finishing fifth. She is back racing against her own sex today and if keeping on a straight line can bounce back to form. BALLROOM BLISS (2) has shown good signs of a form return in her last two starts. She stayed on well when finishing third of 11 runners over 1800m on the Inside course last time. With Gavin Lerena back in the saddle has strong winning claims. SPIRIT PRINCESS (5) finished in the money at each run this campaign before scoring a well deserved victory as the favourite last time over 1800m.
