BRIDGERTON (1) resumes from a spell following a last start seventh over 1200m when well supported. His debut effort two starts back when finishing third was a good effort and if he can run up to that form today should prove hard to beat. SWIFTWINGED (8) ran a fair race in her last start over 1000m to finish fourth on this course. It must be noted that the horse that finished second that day has come out and won since. Looks well placed in this line-up and rates as a solid each-way chance. MANCHESTER FIGHTER (5) showed improvement in his last start over this course and distance to finish fourth when sent out at long odds. Has strong place claims. PISCES (6) has improved in each run this prep and this colt should be ready to show some well needed form today. Include in exotic bets.

SHORT SHARP SHOCK (2) ran a good race last start to finish second over 1200m on this course. She raced from a handy position but found one too good on the day. Looks well placed to take this race out. MAYA'S CAT (1) looks close to a winning run having finished third in his last two starts on this track. He will relish the extra distance today and should be figuring in the finish. MAKAHA BEACH (4) is having her second run after a spell and should strip much fitter following a last start fifth over 1300m at this track. Include in combinations. ROYAL VENUS (10) showed some good improvement in her last start over 1200m on this course when finishing second. The blinkers seem to have done the trick and from the inside draw she should be finishing in the top-three.

GOLDEN PACIFIC (7) showed some good improvement in her resuming run last start over 1000m on this course when finishing second. She was green in the running but the manner in which she stayed on at the finish suggests that she will enjoy the rise to 1300m. She will strip a lot fitter and should go close to taking this race out. RED LOVE (9) is a lot better than her last run for fifth over 1200m at this track would suggest. From a handy draw she rates as one of the leading chances. MAGENTA (6) ran a good race to finish second in male company over this course and distance last time. She should have finished closer to the winner that day as she hung over the closing stages. Has solid each-way claims. POWERS THAT BE (1) could only finish seventh last start over 1400m on the turf but can improve on that effort in this line-up. Having her first run on synthetic and has place claims. MINGSHI (11) finished a game second over 1900m at this track last start. He has drawn well and if confirming his recent improvement can go one place better. Rates highly in this line-up. ESSOS (8) kept fighting all the way to the line when winning his last start over this course and distance. He is in a good space and from pole position can go back-to-back. ALADO'S PRIDE (7) ran a good race to finish fourth when taking on stronger rivals over 1600m on this course last start. He drops in class and if repeating his last effort should be finishing in the top-three. Well worth an each-way ticket. SILVER STARDUST (6) should have finished closer to the winner last time out as he was held up for a run at the 200m mark, finishing fourth. The manner in which he finishes off his races suggests that he will relish the extra distance. With a bit of luck in the running can easily notch up his third career victory.

GET IT DONE (3) won well last start over 1600m on this course. She has won over this distance in the past and jumps from a good draw. Looks well placed to repeat the dose. HEY SIRI (5) stayed on well when finishing fourth over this course and distance last time. She looks close to recording another victory and rates as one of the leading chances. OPERA SWING (11) was slowly into stride last time but ran on strongly to finish third over 1600m at this track. From a wide draw is likely to be settled at the rear of the field but over the final 200m should be finishing over the top of her rivals. Well worth an each-way ticket. SUGARBERRY (1) is a lot better than her last start run would suggest as her jockey reported something to be amiss. Her form prior to that outing was solid enough and if putting her best foot forward she should be finishing in the top-three.

MOON GAME (4) showed signs of a form return in his last start when finishing third at long odds over 1600m on this course. He raced from a handy position and stayed on well. It must be noted that the horse that finished second that day has come out and won since. He takes a drop-in class and from his handy draw can take this race out. ACORN (3) is far better than his last start run for ninth of 12 runners would suggest. His two previous runs on this course resulted in second placings. Well worth an each-way ticket. EUROPEAN SUMMER (1) has some decent recent form lines to her credit. Following a last start third over 1000m at this track tries 1400m for the first time and if seeing out the extra distance on offer should be figuring in the finish. DAUGHTER OF ZEUS (6) resumes from a spell having won her last two starts. She does take a rise in class but is expected to go close fresh-up. Well worth a second look.

DREAM SCAPE (8) may not have seen out the mile in her last start on this course when finishing fifth. Her penultimate run when finishing a neck second over 1200m was a solid effort. The 1400m today should suit her well and from the inside draw she should go close to recording her second-career victory. LADY MISTICO (1) resumes from a spell following a last start third of 11 runners at this track. If not in need of the run she should be figuring in the finish. VIHZOE'S MAGIC (4) went a bold race to finish second of 10 runners last time out over 1200m on the turf at this track. Having her first attempt on synthetic today. Looks well placed and rates highly off that last start effort. One of the leading chances. DEMIGOD (6) resumes from a spell and warrants respect having won fresh-up previously. ON THE ROAD AGAIN (1) was slowly into stride over 1000m last time but stayed on well to finish third of 12 runners. He has drawn wide but has Richard Fourie in the saddle which will help his chances. Looks close to recording another victory. PEDRO (7) won well over 1300m on this course last time. Trying synthetic for the first time today and if not too far out of his ground turning for home can repeat the dose. FIERY DUKE (9) was in the same race as the second selection last start but could only finish seventh of 13 runners over 1300m. Has drawn well and has place claims in this line-up.
