TRACK AND BALL - THE FINISHING POST...

FLAT **TURF** Participants #14

MAURITANIA (14) is better than her last start run would suggest as she had to overcome a wide draw and was checked on the turn. Her debut run two starts back to finish third over this course and distance when well supported was a solid effort. She has a wide draw again today but with luck in the running can take this race out. KNOCKOUT (11) showed some good improvement when finishing second over this distance last time. She moved up well but was outrun late. This filly is a progressive type and rates as one of the leading chances. ARVERNI PRINCESS (10) fought on well on debut last start when finishing fourth over 1100m. With the natural improvement that is expected, she should be figuring in the finish. PRINCESS ARLOWE (9) was safely held on debut last start when finishing seventh of 16 runners over 1100m at this track. In a fitter state, today should improve and is a place chance in this line-up.

YANNAKIS (2) went a solid race on debut against winners over 1000m on this course last start. He raced from just off the pace and stayed on well to finish third. He would have gained from the experience and will appreciate the extra distance on offer. With Richard Fourie in the saddle rates as the runner to beat. QUESTION OF FAITH (1) resumes from a spell after having finished second of 10 runners over 1000m on debut when well supported. From the inside draw should receive a soft trip and go close to winning. CANFORD ICE (5) is having his third run back from a spell and should be cherry ripe to improve on his last start fourth placing. Well worth an each-way ticket. IMPERIAL POWER (4) finished sixth of 10 runners at long odds last start when on debut. With racing experience now on board he can fall into a place at good odds. Include in exotic bets.

DREAMLAND (11) finished a neck second of 11 runners over 1200m last start when sent out as the favourite. The blinkers seem to have done the trick and with Keagan De Melo back in the saddle should prove hard to roll. GALAXY EXPLORER (7) showed some good improvement when finishing fourth in his last start over 1400m. He should have no issues with the drop to 1200m and rates as one of the leading contenders. KAYGEE'S DELIGHT (6) looked in need of his debut run when finishing sixth of nine runners, he would have come on from that run and will enjoy the extra distance on offer. Include in exotic bets. CONNOISSEUR (8) had to overcome the widest draw on debut over this distance last start. He would have come on from the run and can improve sharply. Has place claims.

ALPHABETTY (4) ran home strongly when winning her last start over 1600m on this course when resuming from a spell. It must be noted that the horse that finished third that day has come out and won since. With Richard Fourie in the saddle, she looks well-placed to repeat the dose. LADY TIPTREE (8) won well two starts back at this track when well supported and then came out to finish fifth of seven runners over 2000m in what was a strong field. Looks well placed in this line-up to bounce back to form. ICE SUNSATON (7) took on stronger rivals last start in a Group One race and failed to flatter. She is having her third run back from a spell today and has won in that state previously. Ideally placed here to bounce back to winning form. LILLYBELLE (2) resumed from a spell to finish fourth of 11 runners last start over 1800m and in a fitter state today has place claims. Include in exotic bets.

USA'S HOPE (9) ran a good race last start over this distance fresh up from a spell to finish third. He has won twice, finished second once and third twice from five starts over this distance. Looks well placed in this line-up to record his third career victory. NAARAH (4) resumed from a spell last start and should have finished closer to the winner as she had to be steadied at the 400m mark and was reported to be coughing post-race. She would have come on from that run and should strip much fitter. Has won second-up previously and has top-three claims. FATEFUL DAY (11) finished a close-up sixth last start over 1400m and finds the right field here to return to form. Include in exotic bets. TRACK AND BALL DERBY

FLAT TURF Participants #7

ARAGOSTA (2) ran a good race when finishing third last start. He raced from a handy position and stayed on strongly over the final stages. His best form has been under jockey Richard Fourie and from his good draw of two he should prove hard to beat. SHANGANI (4) is better than his last start run would suggest as he was reported to be not striding out. He has won four times and finished third once from six starts over this distance. On best form shown he should go close to winning. RUNAWAY SONG (5) ran a fair race in his last start over 1400m on this course. He resumes from a spell and races over today's distance for the first time, if seeing out the extra distance on offer he will be right there when it counts. SALVATOR MUNDI (3) is better than his last start run for fifth when resuming from a spell would suggest. He finished second in his only attempt over this course and distance. He will strip a much fitter horse and can return to form.

FLAT TURF Participants #10

HOLD MY HAND (2) should have finished closer than fourth last start. The manner in which she finishes off her races suggests that she will be well suited to today's distance of 2400m. Richard Fourie is in the saddle and he may be able to coax that little bit extra out of her when it matters most. DAWNOFANEWDAY (5) has good consistent form lines to her credit. She challenged strongly last start but but found one too good on the day and lost by a neck as the favourite. can atone. LIGHT OF THE MOON (10) finished seventh of 14 runners in a strong field last start over 2000m when sent out at long odds. She races well over this distance having recorded two wins from six starts and is expected to return to form here. NONE OTHER (9) is far better than her last start ninth of 14 runners looks on paper.
