MAJOR MASTER (8) produced a promising debut effort over 1250m on this course last start. He was green in the running, but the manner in which he finished off his race was eye-catching. It must be noted that the horse that finished fourth that day has come out and won since. He would have gained from the experience and should like the extra distance on offer. With the natural improvement that is expected, he should prove hard to beat. **PINOT GRIGIO (5)** was in need of his comeback run over 1250m last time. He would have come on from the run and should strip much fitter. Has each-way claims. **WESTERN WORLD (4)** has run two fair races to date. He returns from a spell during which time he would have strengthened up. Well worth considering. **OKAVANGO (2)** is on debut and has the right profile to figure in the finish.

TAP SHOES (11) should have finished closer to the winner on debut. She received a check leaving the start and the manner in which she stayed on at the finish was encouraging. She does have a wide draw of 11 to contend with, but gets the services of Grant van Niekerk who will give her all the necessary assistance needed from the saddle. **DIAMOND BOMBER (12)** showed good improvement over 1250m on this course last time. She raced green on the turn and stayed on well at the finish. She will like the extra distance on offer and with luck in running, she should be one of the leading contenders. **TWO G'S (5)** produced a fair effort on debut last time out when finishing eighth at this track over 1250m. Shapes as one to consider. **INDEBE MAYIBUYE (6)** missed the placings two runs back then didn't do any better last start when 11th over 1600m at this track. MASTEROFTHEDESERT (2) has shown good improvement in his last two starts. He raced from just off the pace over 1250m last time before getting outrun late. He is having his peak run today and if seeing out the extra distance on offer, he should be the one to beat. CHIEF RUNNER (10) was disappointing in his last start over this course and distance. His debut effort when second over this distance at Scottsville was encouraging. With a bit of luck in the running, he should be figuring in the finish. WATER DRAGON (4) is better than his last start run would suggest as he was reported to be not striding out. He is having his peak run and has a good draw of four. Gavin Lerena is booked to ride and he may be able to coax that little bit extra out of him when it matters most. DAWN'S EARLY LIGHT (1) made an encouraging debut last time out, finishing sixth over 1250m at this track. Expected to feature with improvement to come.

COURTLY (6) has shown good improvement in each of his outings to date. He raced from a handy position over 1800m last time before getting outrun late. He will like the extra 200m on offer and he can go one better. SANSA STARK (1) is a filly taking on the males. She finished third in her only attempt over this distance. Finds a suitable assignment this time and is a great chance to break through. CONGRESSMAN (2) finished fifth last time out over 1800m at this track. MAI SENSATION (2) was an easy winner when shedding her maiden tag over 1250m on this course. She is a progressive type and she will enjoy the extra distance on offer. She has plenty of scope and can follow up. POLYNOMIAL (9) was running on too late when second over 1250m on this course last time. It must be noted that the horse that finished third that day has come out and won since. With luck from her awkward draw of nine, she should pose a massive threat. GOLDEN ANGEL (7) produced a strong finish to win her last start over this course and distance. She is coming along the right way and must be included in exotic bets. BEWARE THE BOMB (1) scored last time out over 1250m at this track. Grant Van Niekerk sticks. Will appreciate the drop in the weights. Drawn to enjoy a good run on the speed.

ONE STRIPE (2) returns from a spell during which time he would have strengthened up. He should have no issues with the rise to 1400m and Gavin Lerena has made the trip to ride him. He has plenty of class and should find himself in the winner's enclosure. SNOW PILOT (7) is better than his last two starts would suggest. He has finished second once and third once from as many starts on this course. Richard Fourie rides on his return and is well worth considering. ALL OUT FOR SIX (4) ran a good race when second last time. He set the pace that day but found one too good on the day. He won his previous two outings over this distance and may be hard to peg back. JILTED (5) ran a good race when second over 1200m on this course last time out. She should have finished closer to the winner that day as she stumbled leaving the start and her pilot dropped his reins at the 200m mark. She has a good draw and only needs to make an even beginning to be hard to beat in this. WEARINGOFTHEGREEN (3) needed her debut run over 1200m. She would have come on from the run and should love the extra distance on offer. With the natural improvement that is expected, she should be competitive. MOUNTAIN HIGH (4) is resuming from a spell, during which time she would have strengthened up. She has been costly to follow but looks to have some ability and she can figure in the finish this time. ONO NO KOMACHI (7) ran a fair race on debut over 1000m here on the Standside course. She will improve with racing and should be thereabouts. Include in all combinations.

APACHE SON (6) is better than his last start suggests as he lost two lengths leaving the start and was reported to be not striding out. It must be noted that the form of that race has since been franked. He won his previous two outings well enough and he will love the rise to 2000m. Hard to beat. TAMARISK TREE (4) was running on when second over this distance on the Vaal Classic course last start. It is a small field and he should not be too far out of his ground turning for home. He can have the last say. IMPERIAL MASTER (3) may have hit the front too early over this distance at the Vaal last time. He finished second here in his only attempt over the trip and the 7-year-old gelding merits healthy respect. THUNEE PLAYA (7) had some excuses last time out and was in good form before that. Honest filly. Course and distance winner whose latest effort was a fifth over 1800m at Vaal. Finds a nice race and is worth including.

BOOM BOOM (1) should have finished closer to the winner last time as she was cramped for galloping room in the latter stages. She will find this easier and has top hoop Raymond Danielson in the saddle this time who may be able to coax that little bit extra out of her where it matters most. HAT'S QUEEN (2) was an easy winner of her last start over 1800m on the Vaal Classic course. She has finished second once and third once from as many starts on this course. With a bit of luck from her awkward draw, she won't be far away. IDEAL FUTURE (3) was an easy winner of her last start over this distance on the Vaal Classic course. It must be noted that the horse that finished fourth that day has come out and won since. He will race close to the pace even from a wide gate and can double the dose. MARY READ (4) failed to fire from a wide gate in a stronger field at The Vaal last time out and will find this easier. The step up to 2000m should suit her and she can bounce back into the money.
