ONE OF OUR OWN (2) found success by 0.5L attempting this handicap level at Catterick over 1200m last week. This looks a good opportunity to follow up. CARLTON AND CO (3) did well at Doncaster finishing a solid third contesting a 1200m handicap. In the mix. Course winner SHARK TWO ONE (4) ran with credit at Ripon managing fifth in a 1200m event. Dropping back to 1400m looks a huge plus for JABAARA (7). The Roger Varian trained filly can return to winning ways having followed home a top-class performer in the G1 Falmouth Stakes at Newmarket (July). Will find this much more suitable. The Ed Walker trained filly shaped as though she could have more to offer over 1000m when third in the 1200m G2 Prix Robert Papin at Chantilly and makes for plenty of appeal from the inside draw. The market could reveal more regarding chances of STAR OF ORION (1) on his first outing for 292 days. Did go well when third over 1600m on soft ground at York in October and is well-treated off this mark now back down to 1400m making stable debut. The improving MISS INFORMATION (19) holds obvious claims up in standard following wins over 1400m at Chepstow and Epsom. METAVERSE (10) needs to be included on the back of his success at Newmarket (July) last time. BILLYJOH (2), shaped better than the bare result when tenth at Ascot on Saturday and cannot be ignored.
