IN THE GREEN ZONE (2) ran a good race when third of nine against male company last time. She should have finished closer to the winner that day as she hung over final 300m. She is racing back against her own sex and if keeping on a straight line she should be the one to beat. SCARLET MACAW (1) has produced two good runs to date. She is a progressive type and jumping from the inside gate should be figuring in the finish. FLEUR DE VILLE (3) has shown improvement with the blinkers fitted. She finished fourth of 15 at this track last start and jumping from an inside gate has solid each-way claims. CHAMPAGNE PROBLEMS (4) is an unraced daughter of What A Winter from the Brett Crawford stable with Luyolo Mxothwa in the saddle. If not too green, she should give a good account of herself. The betting market will be the best guide with regards to her chances.

FROM A DISTANCE (16) showed good improvement when finishing second 13 in her last start over this course and distance. The manner in which she ran on at the finish that day was encouraging. He is a progressive type and she can go one better. BACK AT THE GEORGE (11) placed third of 13 last start at this track when well supported. Should be prominent in the running and is in the mix. DOUBLE DASH (2) produced a promising debut effort over 1000m on this course last start, finishing third of 15 when well supported. She lost a length leaving the start, raced green but stayed on well at the finish. The daughter of Master Of My Fate would have come on from the run and should make the natural improvement. TIMELINE (6) showed some signs of needing her resuming run last start over 1400m. It must be noted that the horse that finished second that day has come out and won since. She will strip much fitter and she can finish in the money.

SLURRICANE (10) has good consistent form lines to his name. He raced from a handy position over this course and distance last time before getting outrun late. He has won twice, finished second once and third once from as many starts over this course and distance. He does have a wide draw of 10 to overcome but gets the services of Richard Fourie who will give him all the necessary assistance needed from the saddle. NIGHT BOMBER (11) stayed on well over 1200m last time but found one too good on the day. It must be noted that the horse that finished fourth that day has come out and won since. TOUCHDOWN (4) ran a good race when second of nine in his comeback run over this course and distance. He would have come on from the run and should strip much fitter. With luck in the running he should be figuring in the finish. KELP FOREST (6) produced a strong effort when winning by 1.5 lengths last start at this track. Figures are good enough to suggest he can handle this line-up.

RATTLESNAKE (2) is a progressive type who won well over this course and distance last time. He showed good speed and fought on well to the line. He does take on stronger rivals but he has plenty of scope and should be well up to the task at hand. MAJOR APOLLO (7) showed good speed when finishing second of 11 in his last start over this course and distance. Rates well as a leading chance. SHIFTING PATH (6) showed good speed when winning his last start over 1200m on this course. He should have no issues with the drop to 1000m and is well worth a second look. WORDSWORTH (4) turned in a nice effort to score here two runs back over 1100m when sent out as the favourite but disappointed last time out when finishing last of 11 at this track over 1000m when well supported. Better than the last effort would suggest and can atone.
