BUZZ BOMB (7) ran a good race when finishing second of nine over this distance at Kenilworth last time out when well supported. He is a progressive type and can go one better. MY BOY LOLLIPOP (5) produced a promising debut effort last start over 1200m at Scottsville, finishing second of 10. He challenged strongly all the way to the line but found one too good on the day. He would have come on from the run and if not too green should be fighting out the finish. GORGEOUS DUDE (6) should have finished closer to the winner last time as he clipped heels at the 1200m mark. If finding the form of his penultimate run when finishing second of 10 should be finishing in the money. ALWAYS SHINING (11) showed improvement when third of nine over this course and distance last time. He is a progressive type and with luck in the running after jumping from the widest gate should prove hard to beat.

COPACABANA (4) produced a promising debut effort over 1200m at Scottsville last start, finishing second of seven. She raced from just off the pace and stayed on well at the finish. With the natural improvement that is expected she should be the one to beat. EXTRACTION (8) should have finished closer to the winner last time as she hung on the turn. If seeing out the 1600m she should throw out a big challenge to the top selection. CITY LIGHTS (3) last three starts have been fair, including last start when finishing second of nine over 1600m. Has solid each-way claims. LADY SUREYYA (9) in what was her second start last time out finished fifth of nine over 1400m at this track. Will strip fitter and can give a sight at odds.

CONVOCACTION (6) is a winner of her last two starts over this distance at Scottsville. She showed good pace last time and fought hard all the way to the line. She gets the services of a 4kg claiming apprentice and if suited to the polytrack can notch up the hat-trick. RED ROSES TOO (2) is better than her last start run over 1000m on the turf would suggest. She is unbeaten from two starts over this course and distance. Jumping from an inside gate can atone. CERTAINLY (3) won well last start over 1000m on the turf. She returns from a spell which would have done her the world of good. It is encouraging that Richard Fourie retains the ride and if fit enough she will prove hard to roll. THERE SHE GOES (7) finished a close-up sixth of 12 over 1000m at Scottsville last start. Nicely placed to find some form.

DIANI (9) rates well in this line-up following a last start fourth of nine over 1200 at Greyville when well supported. With a bit of luck from his awkward draw of nine he should be right there at the finish. MR HENLEY (11) stayed on well when finishing third of nine over this distance on the turf last time. He has won twice, finished second once and third once from as many starts over this course and distance. He is likely to race up on the speed after jumping from the widest draw and should prove hard to peg back. MUSIC IS LIFE (4) finished eighth last start at Greyville over 1200m after having finished second in his previous start. Expected to go close. YAMADORI (10) resumes from a spell and it's worth noting that he filled a placing when returning from a spell last prep over 1000m at Kenilworth. PHAKA IMALI (1) was given a gun ride when winning his last start over this course and distance. Three of his four career victories have come over this course and distance. He jumps from pole position and looks well placed to go back-to-back. DARK TIDE (7) showed signs of a form return in his last start over 1000m at the Vaal. He won his only attempt over this course and distance. The blinkers seem to have done the trick and he rates well as one of the leading chances. PURPLE POWAHOUSE (2) has good consistent form lines to his credit having placed in all of his last five starts. Three of his four career victories have come over this course and distance. If getting away to a clean start he may be rewarded for consistency. STEVIE GEE (6) should have won his last start as he hung and shifted away from the whip over the closing stages. Apprentice Kobeli Lihaba retains the ride and if keeping on a straight line, he should be fighting out the finish.

WYATT'S CHOICE (6) was unlucky not to have won his last start over this course and distance as he was carried outwards at the 150m mark. He is likely to be settled near the rear of the field once again and with a bit of luck in the running should go one better. BANZAI PIPELINE (3) stayed on well when finishing third of seven over 1950m at Scottsville last time. He takes a drop in class and with Richard Fourie back in the saddle he should prove hard to beat. STRAIGHT UP (4) has produced two decent comeback efforts over this course and distance. Four of his eight career victories have come over this course and distance. He will be at peak fitness and has won third-up previously. RICCARDO (7) stayed on well when finishing second of 10 over 1900m on this course last time. Rachel Venniker retains the ride and with a bit of luck from his wide draw of seven he should be finishing in the money.

Ran a better race last start to finish third at Scottsville over 1950m. Nicely placed and rates highly off that run. Further improvement expected.
