CLIFF SWALLOW (1) was running on well when third of 17 over this course and distance last time. He meets the right field today and jumping from the inside gate can shed his maiden tag. MASTER BOMBER (12) was doing his best work late when finishing fifth of 13 over 1250m at Durbanville last time. It must be noted that the horse that finished fourth that day has come out and won since. He is having his first run this prep and has solid each-way claims. DORSET (9) hails from the visiting Michael Roberts stable. He is better than his last start run over 1160m at Turffontein would suggest. It must be noted that the horse that finished second that day has come out and won since. Rachel Venniker steps back into the saddle and he looks well placed to figure in the top-three. ALESSIA ASHEVILLE (4) can do better than her last start run when finishing fourth of 11 at this track. Is a must include in exotic bets.

BEL CANTO DREAM (7) made the expected natural improvement when finishing fourth of 15 over 1200m at Kenilworth last time when well supported. The manner in which he finished off his race that day suggests that he will like the rise to 1400m. Richard Fourie steps into the saddle and he may be the one to beat. VICTOR HUGO (8) had excuses in his last start over 1600m on this course when finishing third of 10 as the favourite. His penultimate run when second over 1200m, catches the eye. He should be ideally suited to 1400m and he is one of the leading chances. GRAND ALLEGRO (6) was disappointing over 1250m at Durbanville last time. His penultimate run when second behind Arctic Wizard catches the eye. He resumes from a spell and fresh-up is well worth a second look. HONORINE'S GIMMIE (11) is likely to be settled near the rear of the field and should be storming home late. Is a must include in exotic bets.

BLIND AMBITION (2) was running on well when second of eight over 1400m on this course last time. She was unlucky not to have won her penultimate run. Will like the rise to 1600m and from her good draw of two should go one better. SUPREME FATE (7) showed good improvement when third of 13 over 1400m last time. The manner in which she finished off her race that day suggests that she will like the rise to 1600m. She is a progressive type and merits healthy respect. ENGLISH MISTRESS (13) has good consistent form lines to her credit. She returns from a spell which may have done her the world of good. With a bit of luck from her wide barrier she should be fighting out the finish. SWEET CONIFER (8) has run three fair races to date. TENPENNY (3) showed very good improvement when second of 13 over 1400m on this course last time. He should have finished closer to the winner that day as he was carted wide by a rival runner with 200m to run. He is a progressive type and will like the rise to 1600m. From his good raw of three should take a power of beating. GRAN CANARIA (1) has produced two good runs to date. He raced from a handy position over this distance last time, before getting outrun late. He jumps from pole position and he can easily go one better. ISCHYRO (6) was running on well when finishing second of 11 over this distance last time. If not too far out of his ground turning for home, he should be involved at the finish. OZARK (9) stayed on well to finish fourth of eight after a slow start over 1600m on this course last time. It is encouraging that Richard Fourie is again back in the saddle and he should be figuring in the finish. WHAT A FORTUNE (4) won his last start over this course and distance easier than what the official margin suggests. He meets a similar line-up and despite top weight can repeat the dose. HANG OUT THE STARS (5) was safely held last start when finishing seventh of eight at this track over 1600m. Has winning claims if she can reproduce her win at this track two starts back over today's shorter trip.

SHE'S MY CAPTAIN (10) is better than her last start run when finishing last of eight over this course a d distance would suggest as it was against stronger company. She returns to an easier line-up here and with Rachel Venniker taking 1.5kgs off her back, she can return to winning form. BARNEY MCGREW (1) raced from just off the pace over this course and distance last time but found one too good on the day. It must be noted that the horse that finished fourth that day has come out and won since. He has won four times, finished second five times and third three times from 19 starts over this course and distance. He is drawn on the right side of the course and has a winning chance. FURIOUS QUEEN (6) was running on when second over this course and distance last time. She is having her peak run today and will be cherry-ripe fitness wise. Richard Fourie is in the saddle and she should give the males a decent run for their money.
