MY BOY LOLLIPOP (6) is better than his last start over 1400m. His penultimate run when second over this trip on this track catches the eye. He gets the blinkers fitted which should keep his mind on the task at hand. If this run has not come too soon, he should be hard to beat. MASTER DU ROUVRAY (11) was in need of his debut effort here over this journey. He found betting support that day which suggests that he was showing good work at home. He would have come on from the run and should finish a lot closer this time. ALWAYS SHINING (9) is better than his last start on the Polytrack at Greyville. His form prior to that outing was decent. S'manga Khumalo rides and he may be able to coax that little bit extra out of him where it matters most. GOT THE WORD (3) has run two fair races to date. He may be at his best over further, but has scope and should earn another cheque. Each way value.

NIGHT ROCKER (1) produced a promising debut effort here over this trip. He showed good speed and stayed on to finish second. He would have gained from the experience and with Richard Fourie in the saddle, he should take a power of beating. RECORD HIGH (2) showed good improvement when second over this distance on the polytrack at Greyville last time. He is a progressive type and is one of the leading contenders. SILVER SAVAGE (6) fought on bravely when third over 1000m last time. He steps back up to 1200m and if this run has not come too soon, he should have a say in the outcome of this contest. LIKE A BUTTERFLY (3) showed courage when third over this distance on the polytrack at Greyville last time out. If getting away to a clean start, she should give the males a run for their money.

ICY LANCASTER (8) is better than her last start over 1400m at Greyville. The form out of her last run has been franked and she is a filly with scope. If she can find the form of her penultimate run, she should run a big race. MISS MUNROE (5) ran a good race when third over this distance on the Turffontein Inside course. She is a progressive type and if all goes well with her travels, she should go close. LIGHTINTHEDARKNESS (1) was in need of her debut over this distance on the Polytrack at Greyville. She would have come on from the run and should make the natural improvement. Each way claims this time. BLOWIN IN THE WIND (4) has produced two moderate runs since relocating to this area. PRITTI VICTORY (7) is a winner of her last two starts over 1200m on this course. She raced from just off the pace last time, quickened up well, and kept finding all the way to the line. It must be noted that the form of that race has been franked. She is a filly with ability and should notch up the hat-trick. RUSSIAN DOLL (5) stayed on gamely when fourth over 1200m on the polytrack at Greyville last time out. Her penultimate run when second over this distance catches the eye. She is the main threat to the top pick. WAR EMPRESS (1) has fair consistent form lines to her name. CONTINENTALEXPRESS (5) has been runner-up in her last couple of starts on this track and has 2.5 kilos less to carry this time. Craig Zackey keeps the ride and the pair can go one better this time. TRUSOVA (6) was third in the same race as the top pick last time out and is also better off in the weights this time. He is never far away and his next win is not far away. VIHAAN'S BOMB (10) is a winner of his last three starts under Richard Fourie, the latest of which was over the top 2 picks. GORGEOUS GIRL (5) followed up her maiden victory with a good second-place finish over 1750m on this course. It must be noted that the form of that race has been franked. She is ideally suited here and is the horse to beat. PERILLA (4) was given a top ride when winning her last start over 1400m at Greyville. She would have come on from the run and can follow up with another victory. TOMYRIS (9) finished third behind the second pick last time out. She is better off at the weights today and should finish closer as a result. SPARKLING JUBILEE (2) has very good consistent form lines to her name. She has won twice and finished third once from four starts over this distance. If all went well with her travels, she should be involved at the finish at a decent each-way price.

MADISON BLUES (1) needed his last start over 1400m on the Polytrack at Greyville. He won his only attempt here over this trip and he takes a slight drop in class. He is drawn in the pole position, he may be the one to cause the upset. SHOTGUN WILLIE (11) bounced back into form when finishing second here a month ago. He has a kilo less to carry this time and is his trainer's only runner for the day. Stick with him. JAZZ FESTIVAL (9) ran on strongly when winning his last start here over the second pick. Tristan Godden retains the ride and if jumping on terms, he can follow up. INGQWELE (8) was given a gun ride when shedding his maiden tag here over this distance last time out. He does take on older and stronger rivals this afternoon. However, he has plenty of scope and should be up to the task at hand. Each way value.

FIRECRACKER (3) showed good improvement when third in her last start over 1400m on this course. She lost a length leaving the start but finished off her race strongly. She should enjoy the rise to the mile and from her good draw of three, she can have the last say this time. TIPPERARY (7) is better than her last start as the jockey reported something to be amiss in running. Her previous two efforts were good. If putting her best hoof forward, she should pose a threat. DEE DAY (4) raced from a handy position over this distance on the Polytrack at Greyville last time out and gave a good kick before finishing second. If suited to this course, she may be hard to peg back. UMZOLOZOLO (6) is progressing with each outing. She is a filly with a lot of scope and would not be a shock winner in this even lineup.
