**LONG STREET (5)** ran a good race when second of nine over this distance at Scottsville last time. The manner in which she stayed on at the finish that day was encouraging. It must be noted that the horse that finished third has come out and won since. Can go one better. **CATAVAR (12)** finished third of seven over 1000m on this course last time and was then put out for a spell. It must be noted that the winner of that race has come out and won again since. Mathew Thackeray is likely to use his early gate speed to overcome a wide draw and he may be hard to peg back. **RUBY RISING (6)** is a filly taking on the males. Her last start run when third over 1100m at Scottsville was decent. She resumes from a spell and if not in need of the run should finish in the money. **SERPENTINE FIRE (2)** ran fourth of nine last start at Scottsville over 1200m. Jumping from an inside draw can place.

PRINCE FLORIAN (8) ran a good race when second over this distance at Scottsville last time. He has finished second once and third once from three starts on this course. He meets the right field and Sean Veale may be able to coax that little bit extra out of him when it matters most. TREND MAKER (11) is lightly raced with fair form lines to his credit. He showed pace over 1200m last time but found one too good on the day. He steps up to 1600m and if seeing out the extra distance on offer, he should pose a massive threat. THE GREEN GALLANT (7) returns from a spell. He has finished second once and third once from four starts over this distance. Has each-way claims. FOREST DRUM (2) was doing his best work late over 1400m last time. The gelding seems to have done the trick and he should love the rise to 1600m. Don't overlook his chances.

PORFIRIO (7) was an easy winner of his last start over 1400m on the polytrack. He raced from a handy position, quickened up well and drew off late. It must be noted that the horse that finished second that day has come out and won since. Muzi Yeni retains the ride and the combination can follow up with another victory. EVENTIDOR (6) ran a good race when third of 11 over 1400m on the polytrack last time when resuming from a spell. HODGEPDGE (1) has produced three good runs since winning her maiden over 1600m on this course. She should have finished closer to the winner over 1600m at Scottsville last time. She has won once and finished second twice from as many starts on this course. Sean Veale steps back into the saddle and the pair may find themselves in the winner's enclosure. JAHAM (5) won a game race in his last start over 1750m with the cheekpieces fitted. If seeing out the extra distance on offer he can follow up with another victory. SASCHA'S DREAM (2) finished second of 12 at Greyville All Weather over 1800m last start when well supported. Expected to be in the mix. ARVERNI KING (13) bounced back to form with a second of eight at Scottsville last start. Can keep form and looks ready to run well again.

GOLDEN PALM (5) should have finished closer to the winner on debut as she hung inwards in the final 350m. She was reported to have been cut into that day. She would have gained from the experience and with Richard Fourie in the saddle, she should be the one to beat. WINTER WARFARE (4) stumbled leaving the start last time but showed good speed and fought hard all the way to the line, finishing second. It must be noted that the horse that finished third that day has come out and won since. He is a progressive type and he is one of the leading contenders. ICED MARMALADE (6) is an unraced daughter of Danon Platina from the Gavin Smith stable with Gareth Wright booked to ride. If not in need of this outing, she should give a good account of herself. The betting market will be the best guide with regard to her chances. ARLU (2) returns from an 11-week break, during which time he was gelded. He will enjoy the step up to 1000m and can figure in the top 3.

ONE GIANT LEAP (4) showed very good improvement in her local debut over 1200m last Friday. The manner in which she finished off her race that day was eye-catching. She will love the rise to 1400m and if this outing has not come too soon, she should go one better. BEZONDER (2) is having her first run for the Gavin Smith stable. She steps up to 1400m and the blinkers will be fitted. If settled into her new surroundings, she should have improvement to come. LAUGH TILL I CRY (3) ran a fair race for fourth here last time. It must be noted that the horse that finished third that day has come out and won since. She has top 3 claims this time. DEAD OF NIGHT (7) had excuses on debut. The winner of that race has come out and won again since then. Craig Zackey is booked to ride this afternoon and the pair merit healthy respect.

BOMBER GIRL (2) should have finished closer to the winner in the Listed Lady's Pendant. She has won twice and finished second three times from eight starts over this distance. She drops back in Class and with luck in running, she should be hard to peg back. LOVEGRASS (1) finished sixth and a length behind the top choice last time. She is half a kilo worse off at the weights today and may have to settle for the same result. Her last victory came under Richard Fourie and the combination merits healthy respect. YOU WIN AGAIN (4) finished fourth behind the top choice in her last start. She is 3kgs better off at the weights today and there should not be much separating the pair at the finish. MYTHICAL DREAM (3) is better than her comeback run over 1000m. She has won once and finished third once from three starts here over this trip. ASINANTANGA (1) found betting support when touched off in his stable debut over 1600m on this course. He was his own worst enemy that day as he over raced in the early stages and hung inwards in the final 250m. He should be ideally suited to this distance and if Craig Zackey is able to switch him off early, he can go one better. CHEERFUL CHARLIE B (5) is better than his last start. His penultimate run when second over 1600m on this course was eye-catching. It is encouraging that Malesela Katjedi steps back into the saddle and he is one of the leading contenders. GRAND ALLEGRO (2) is having his first run for the Kelly Mitchley stable. He has plenty of scope and there should be good improvement to come. AMERICAN PITBULL (7) raced from just off the pace over 1200m last time but found one too good on the day. Jason Gates retains the ride and with luck in running, he can finish in the placings again..

JUAN CARLOS (2) won a good race in his last start over 2000m on this course. He has won three times, finished second twice, and third once from seven starts on this track. He meets a similar line-up this afternoon and if jumping on terms, he can notch up his seventh-career victory. HEART STEALER (7) was an easy winner over 2000m on this course last time. He is up in class, but he may be ahead of the handicapper and should be up to the task at hand. NOTHINGELSEMATTERS (9) was running on when second over 2400m on this course last time. He is likely to be settled near the rear of the field from the widest draw and will be mowing down the frontrunners. Each way value. CATCH THE TUNE (6) finished fifth and not too far behind the top selection last time. He is 2kgs better off at the weights today and should finish closer as a result. He is having his peak run today and can figure in the top 3.

FIREALLEY (1) has good consistent form lines to his credit. He steps up to 2700m for the first time and if seeing out the extra distance on offer, he may find himself in the winner's enclosure. ZATARA MAGIC (3) finished runner-up in the same race as the top pick last time out. He is likely to race on the speed and may be hard to peg back. BOURNEMOUTH (4) beat most of these last time out. He finished third in his only attempt on this track over the trip. He is in a good space and from the pole position, he can follow up with another win, despite the sharp weight rise. GIDEON'S DAUGHTER (9) is the stablemate of the third selection. She has won once, finished second once, and third twice from six starts on this course. She can secure a run that suits her early on from a good draw and if she can cope with an extra 700m to travel, then she can figure in the finish again.
