OXALIS GOLD (7) has produced two good second place finishes to date. She stayed on well when second over 1160m on the Standside course last time. She should like the rise in distance and rates as the one to beat. RAINBOW RIVER (1) stayed on well when second of 10 over 1450m on this course last time. She will like the extra distance on offer and resuming from a spell has each-way claims. CITY LIGHTS (2) moved up like a winner last time, but was caught in the shadow of the post. Include in exotic bets. THE CROWN (5) stayed on well when third over this course and distance last time. Her debut effort when second over 1400m on the Standside two starts back was eye-catching. She has plenty of scope and from her good draw of three should be finishing in the finish.

AMERICAN REBEL (2) showed good improvement in his last start over this course and distance. He challenged strongly but was outrun late. He is a progressive type and with a bit of luck in the running he can go one place better. PANNING GOLD (9) showed some improvement in his last start over this distance on the Standside course, finishing second of seven when sent out at long odds. He is a progressive type and he should have more to come. KAROO GOLD (1) was his own worst enemy last time as he over raced in the early stages and did not go on with the effort. He should have won his penultimate start as he hung over the final 400m. If putting his best foot forward, he should be fighting out the finish. TROMBETTISTA (3) showed good speed when second in his last start over 1200m at the Vaal. He is having his peak run today and will be cherry-ripe. MOUNT DARWIN (1) is better than his last start run over 1400m would suggest as he had excuses. He was impressive when winning on debut over 1450m on the Vaal Classic course. Resumes from a spell during which time he would have strengthened up. He should like the rise to 1600m and if fit, he can return to winning form. MISS SCALETTA (11) was an easy winner on debut over 1200m on this course. last start. It must be noted that the horse that finished second that day has come out and won since. Can go back-to-back. HAPPY MO (3) ran a fair race in her post maiden effort over this distance on the Standside course. She has plenty of scope and from pole position should give the males a decent run for their money. MOCHA FRAPPE (9) is coming along nicely this prep, scoring by half a length last start over 1400m at Vaal. Suitably placed so anticipating another big run.

DIMAKO'S JET (1) stayed on well when finishing third over this distance on the Standside course last time. Richard Fourie is booked to ride and in this line-up she looks hard to beat. PASCHALS SAMORE (5) set the pace when winning here last start over this course and distance. She is likely to race up on the speed from the widest draw and prove hard to peg back. CRIMSON FOREST (3) finished out of the money two starts back then finished fifth over 2000m at Vaal last time out. Ideally placed here and rates highly. DAMOVA (6) has a moderate winning strike-rate but performed well last time at this track when finishing a close-up third over 1800m. Has top-three claims.

PRESLEY (1) much better than his last start run would suggest. He does have a wide draw to overcome but Gavin Lerena should give him all the necessary assistance needed from the saddle. PLATINA PRINCESS (2) lasted long enough when winning her last start over this distance on the Vaal Classic course. With a bit of luck from the widest draw, she can finish in the money. SABRE STRIKE (7) resumed from a spell and ran a good race when second in his last start over this distance on the Vaal Classic course. He would have come on from the run and he should strip much fitter. WARHAWK BOMBER (6) finished fourth last start over this distance at this track. VIX PRINCESS (2) has good consistent form lines to her credit. She should have won her last start as she hung over the closing stages. It must be noted that the horse that finished fourth that day has come out and won since. She has finished second once and third once from as many starts over this distance. Looks well placed to score her third-career victory. GOOD QUEEN BESS (1) has raced well in her last two starts. Richard Fourie is likely to use her early gate speed to get across without using up too much energy and she may prove hard to peg back. WOMAN OF POWER (5) finished two lengths away in fourth last time out over 1000m at this track. Likely to push forward and race up on the pace. Expected to be figuring in the finish.
