APEX PREDATOR (3) should give punters a good start to the day. He showed good speed over this distance at Scottsville last time, fought hard but found one too good on the day. He is having his peak run today and from his good draw of three should be hard to peg back. BANDMASTER (2) returns from a spell during which time he was gelded. He may need the run but it is encouraging that Muzi Yeni is booked to ride. Has top-three claims fresh-up. MO KING (4) is a 13-start maiden who could only manage to finish 11th at his latest appearance over 1000m at Scottsville. Looks well placed in this line-up and gets his chance to break the ice. CAPPELLINO (1) missed the placings two starts back then ran a better race when finishing fourth last time out over 1000m at Greyville. Perfectly placed and should be fighting out the finish.

ISIKWISHIKWISHI (3) has run two fair races to date. He stayed on well when third over this course and distance last time. It must be noted that the winner of that race has come out and won again since. He is a progressive type and from his good draw of three, he may be the one to side with. SOVEREIGN COMMAND (9) was green in the running over 1200m at Scottsville last time, but stayed on well to finish third of 14 when resuming from a spell. He would have come on from the run and should like the rise to 1400m. With a bit of luck from the widest draw, he should be fighting out the finish. AMOR FATI (2) is better than his last start run would suggest as he was squeezed when leaving the starting gates. His best career effort has come on this course and if finding the form of that run, he should be involved at the finish. KINNIKINNIK (5) has run three fair races to date. Rates well as an each-way chance.

CANFORD QUEEN (3) should have finished closer to the winner over 1800m last time. She won a game race in her penultimate effort over this course and distance. If finding the form of that outing, she should notch up her third-career victory. DOCTOR'S ORDERS (7) won a good race in her last start over this course and distance. She raced from a handy position, moved up and kept finding all the way to the line. She is in a good space and can follow up with another victory. ROY'S ROCKER (6) produced a good penultimate run against stronger company. It is encouraging that Sean Veale is booked to ride and if finding the form of that run, she may be the one to cause the upset. Don't overlook her chances. ENGLISH PRIMROSE (2) was narrowly beaten at long odds last start at this track and should be at peak. Expected to run well in this line-up.

BLUSH OF DAWN (3) resumed from a spell last start over 1600m at Scottsville and after setting the pace stayed on well to finish fourth of 10. Four of her six career victories have come over this course and distance. She will strip a much fitter horse and may be hard to catch from barrier three. SWEET JULIA (2) ran a good race when finishing second of nine over 1000m on this course last time when well supported. Her record over this distance is a slight concern, but she is in a good space and merits healthy respect. MISS PLATINA (4) was impressive when winning her last start over this distance at Scottsville when resuming from a spell at long odds. The manner in which she quickened away from the field that day was eye-catching. She has won on the polytrack previously and she should be the one to beat. GRANDI ORECCHIE (6) is better than her last start run would suggest. She is unbeaten from three starts on this course and will be looking to keep that record intact. Well worth a second look. PETIT VERDOT (1) ran a better race last start to finish a close-up second over 2000m at Greyville after missing the placings at her previous start. No surprise to see her figuring in the finish once again. WONDERFUL (7) made progress last time out, finishing second of nine when sent out at long odds over 1900m at this track. Is a must include in exotic bets.

WAVE WARRIOR (5) has fair recent form lines to his credit. He raced from a handy position over this course and distance last time but found one too good on the day. He has won twice, finished second twice and third four times from 12 starts over this course and distance. KING BAVARIAN (7) was running on well when finishing second 10 over 2000m on the turf last time. He rates well in this line-up and has winning claims. DONT JUDGE (3) resumes from a spell here after closing off his last prep with a win at Scottsville when sent out as the favourite. Fresh-up and jumping from an inside draw should be figuring in the finish. FUTURE OF ENERGY (4) has been in the market at his last couple of starts but hasn't made an impression, last start finishing fourth of 10 at this track. He jumps from a good draw of four and can finish in the money. Include in combinations.
