THE SPECIALIST (7) produced an encouraging debut effort over 1200m at Scottsville last start. He was slowly into stride but stayed on nicely to finish fifth of 11. He would have gained from the experience and if not too green he should prove hard to beat. MILLION VOICES (5) showed some improvement when finishing second of nine over 1200m at Scottsville last time. She showed speed and despite racing green stayed on well at the finish. She is a progressive type and she should give the males a decent run for their money. SAMUEL LONGSWORD (6) was disappointing in his last start over 1200m. His debut effort when finishing third over 900m at Scottsville was encouraging. He has plenty of scope and can place. FAMOUS WARRIOR (9) is on debut and if not too green he should start his career on a positive note. The betting market will be the best guide with regards to his chances

MAGMA MAGIC (4) was unlucky not to have won his last start as he stumbled leaving the start and was denied racing room between the 400m mark and 200m mark. He would have come on from the run and should strip much fitter. He is a progressive type and if suited to this course should be winning. FUTURE FLO (2) ran on well when finishing second of 11 over 1400m at Scottsville last time. He has finished third four times from five starts over this distance. Has solid each-way claims. BOMBER STREAM (1) showed good improvement when finishing second of 10 over this distance at Scottsville last time when resuming from a spell. He should strip much fitter and has top-three claims. APEX PREDATOR (3) was well in need of his comeback run last time. His debut effort when third over this distance at Scottsville was encouraging. Richard Fourie is booked to ride and he is well worth a second look.

TANNEN PRINCESS (3) has shown good improvement in each of her outings to date. She was her own worst enemy last time out as she over raced in the early stages and hung in the straight but still managed to run second of nine. She tries the mile for the first time and if seeing out the extra distance on offer she should be the one to beat. SWEETER THAN HONEY (4) stayed on well when finishing second over this distance at Scottsville last time when resuming from a spell. It must be noted that the horse that finished fourth that day has come out and won since. She should strip much fitter and will be storming home late. ELEGANT ACT (1) has good consistent form lines to her credit. She steps up to the mile and from pole position she may be rewarded for consistency. PINK DIAMOND (6) was out of the money when resuming from a spell last start over 1400m at Scottsville. Fitter so expecting a better run this time.

COLUMBIA ROAD (3) stayed on well at the finish over 2000m on the polytrack last time but found one too good on the day. She has won twice and finished third once from five starts on this course. She is having her peak run today and from her good draw of three can return to winning form. MANIC MONDAY (9) is better than her last start over 2000m on this course would suggest. Her form prior to that outing was consistent. She tries the 2200m for the first time and if seeing out the extra distance on offer she should prove hard to beat. THEAPPLEOFMYEYE(12) was running on when finishing third of nine over 1750m at Scottsville last time. She does have to contend with the widest draw but gets the services of Richard Fourie who will help her chances. HOT STRIKE (11) is a winner of her last two starts. The manner in which she finishes off her races suggests that she should not have any issues with the rise to 2200m. With luck in the running she can notch up the hat-trick.

SUN BLUSHED (5) went a bold race to finish third of 11 over 1200m at Scottsville last time. Drops back in distance today and rates well as one of the leading chances. HITHHEMHARDSUNSHINE (9) was an easy winner of his last start over this distance on the polytrack when resuming from a spell. He would have come on from the run and having won second-up previously is well worth considering. PRAY FOR RAIN (3) won by a neck two runs back at Scottsville, then finished fourth of 11 over 1200m. On his best form he should prove hard to beat. COIN SPINNER (6) ran sixth of 11 last start at Scottsville over 1200m. Drops back to 1000m here and has each-way claims

STANLEY PARK (2) took on stronger company in his last start over this distance at Scottsville. The manner in which he stayed on at the finish that day was encouraging. He resumes from a spell and having placed fresh-up previously has to be considered as one of the leading chances. DONTSHOOTTHEBARMAN (1) ran a fair race to finish fourth of nine last strat over 1000m. He finished second in his only previous course and distance attempt and has each-way claims. SUPER FAST (10) found plenty when winning by a neck two runs back at this track. Looks well placed again and can repeat the dose. DONQUERARI (8) placed second over 1200m last start at Greyville All Weather and should race up on the speed. Rates well as a top-three chance.
