HOLY STAR (2) ran a good race when fourth of seven over 1000m at Scottsville on debut. He jumped awkwardly leaving the start, but the manner in which he stayed on at the finish was encouraging. He would have gained from the experience and should like the rise to 1200m. With the natural improvement that is expected and from his good draw of two, he may be the one to beat. ARISTOCRATIC (8) is an unraced son of Danon Platina from the Dean Kannemeyer stable with Craig Zackey in the saddle. If not in need of this outing, he should give a good account of himself. The betting market will be the best guide with regards to his chances. QUINN'S TIME (6) finished fourth last start over 1200m at this track, an improvement on his seventh on debut at Scottsville the run before. Can place. KALI BWANA (1) has been in the market at her recent start, last start running fourth at this track. Can finish in the money.

OPERA FAN (1) finished third in her last start over 1500m on the Vaal Classic course. She is back in maiden grade and jumps from pole position. Looks well placed to shed her maiden tag. ALAKAZAM (9) ran a decent race on debut over 1000m on the turf. She stayed on well at the finish and will enjoy the extra distance on offer. With the natural improvement that is expected, she should throw out a big challenge to the top choice. SPLASH OF LOVE (4) showed some improvement when fourth over this distance on the turf last time. She lost a length leaving the start and was running on at the finish. She is a progressive type and may have more to come. MRSGLITTERSPARKLES (7) has finished third in her last three starts, the latest of which was over this course and distance. With a bit of luck in the running she should be figuring in the finish.

PINETTI (3) moved up well over this distance on the turf last time, before getting outrun late. He is a progressive type and gets the services of Gavin Lerena. If taking to the polytrack, he should go one better. MISS KANSAS (2) should have finished much closer to the winner last time. Her debut effort when third over this distance at Scottsville was eye-catching. She has scope and if suited to the surface, she would not be a shock winner. GRAND FORCE (1) is better than his last start run would suggest as he was reported to be not striding out. He finished second in his penultimate run over this distance. If finding the form of that race, he should have a say in the outcome of this contest.
