STAR OF ELENA (9) should have finished closer to the winner last time as she hung over the final 350m. Her penultimate run when second over 1400m on the polytrack, catches the eye. She has racing experience on her side and if Craig Zackey is able to keep her on a straight line, she should be hard to beat. WILD FIG (8) is an unraced son of Fire Away from the Alan Greeff stable with Richard Fourie in the saddle. If not in need of this outing, he should start his career on a positive note. The betting market will be the best guide with regards to his chances. YOU'RE SO SPECIAL (11) ran a good race on debut over this course and distance. She should have finished closer to the winner as she hung over the final 400m. She would have come on from the run and with the natural improvement that is expected, she should be competitive. CASINO KING (2) is better than his last start run would suggest. If finding the form of his penultimate run, he should be figuring in the finish.

ARTICUNO (3) has not finished too far off the winner in recent outings. She stayed on well when third over 1200m on the polytrack last time. SONG OF MYSELF (3) ran a solid second over this distance at Kenilworth last time. MASKED VIGILANTE (2) ran a fair race in his comeback run over this distance on the polytrack. He would have come on from the run and should strip much fitter. OLIVE OYL (15) has made the expected natural progression with each of her outings to date. She stayed on well when third of seven over 1200m on this course last time. IGUGULETHU (5) was an impressive winner of his last start over this course and distance. He meets a similar line-up, is in a good space and can bring up the hat-trick. PEDRO (7) went a solid race last start to finish second of 10 over 1400m at this track. Likely improver with strong winning prospects. FINAL TRY (6) finished out of the money when resuming from a spell last start over 1400m at this track. Has been in the money at each second-up start. Fitter and has each-way claims. RUN THE WORLD (10) missed the placings two starts back when resuming from a spell then ran a better race when finishing fifth last time out over 1400m at Kenilworth. Perfectly placed to return to form.

LUNA HALO (1) is better than her last start run suggests as she was reported to have a mouth injury. She has won three times, finished second once and third once from six starts over this course and distance. She jumps from a good draw of four and if not too far out of her ground she can return to winning form. LADY SILVANO (2) is a winner of her last two starts. She has won three times, finished second once and third twice from eight starts over this distance. She is likely to race on the speed and can bring up the hat-trick.
