FLYING SOUTH (6) missed the frame on debut two runs back, then progressed well at her second run last start when finishing third of 12 over 1000m at Scottsville. She is a progressive type and she may be the horse to side with. MOSCOW MISS (3) showed good speed over this distance last time, but found one too good on the day. Andrew Fortune is booked to ride and he may be able to coax that little bit extra out of her when it matters most. RACEWAY (5) is better than her last start run would suggest as the jockey reported something to be amiss in the running. Her penultimate run when second over this distance at Turffontein catches the eye. If finding the form of that run, she should be involved in the finish. NOTHING COOLER (4) was in need of her debut effort over 1200m on the turf. The daughter of New Predator would have gained from the experience and with S'manga Khumalo in the saddle, she should make the natural improvement needed.

GORGEOUS BOMB (1) should have finished closer to the winner last time as she had to be switched for racing room at the 200m mark. She jumps from pole position. She should get a good run in transit and can shed her maiden tag. TIME WILL TELL (2) showed speed over this distance at the Vaal last time, but found one too good on the day. He gets the blinkers fitted which should keep his mind on the task at hand. Gavin Lerena rides and he should go close. K M V RETROFIT (10) ran a good race when third of eight over 1400m on the turf last time. With a bit of luck from the widest draw, she should be finishing in the money. PRINCE FLORIAN (6) finished second in his last two starts before given a spell. If jumping on level terms he can finish in the placings in this field.

CATCH A PENNY (9) has very good consistent form lines to her credit. She cost herself winning last time as she hung inwards over the final 400m. She would have come on from the run and if taking to the polytrack, she should find herself in the winner's enclosure. CHERRY OH BABY (4) has been costly to follow. She stayed on when third of eight as the favourite over 1600m last time. She gets the blinkers fitted which should keep her mind on the task at hand. Callan Murray retains the ride and she should go close. LEMON THYME (6) found one too good on the day last time. She has scope and she should run a big race. NUMZAAN (7) has good recent form lines to his credit. He raced from a handy position over this course and distance last time and stayed on well to finish third. He will strip a much fitter horse and should be hard to peg back. VIVA DE JANEIRO (2) has fair recent form lines to his name. He has won once, finished second twice and third once from ten starts over this distance. Gavin Lerena steps back into the saddle and he can't be ignored. WAVE WARRIOR (3) won a good race over 1800m on this course last time. He returns from a spell. He gets the services of the 4kg claiming apprentice Mxolisi Mbuto which will assist his chances. If not in need of the run, he should give a good account of himself. SHINY BOB (6) again failed to feature last start, finishing sixth over 1600m at this track. Should be prominent from the outset and is worth an each-way ticket.

UZWANO (1) won a good race over this course and distance last time. He lost two lengths leaving the start and finished strongly. He is in a good space and can follow up with another victory. SHOEFELLA (10) has shown some signs of needing his last two starts. He has won twice and finished second once from four starts over this course and distance. He drops in class and with luck in the running, he should be fighting out the finish. GURKHA (5) is better than his last start run would suggest. He followed up his maiden win with a fair second-place finish. If putting his best foot forward, he can finish in the placings. OUR LADY FATE (4) ran a fair race in her post maiden effort over 1200m on this course. She would have come on from the run and should strip much fitter. Include in exotic bets.
